Dates: September 2-3 & 9-10

Location: Cypress Lakes Golf Club

Price: \$39 each day (Four 9-hole rounds)

Anyone who attends Memorial High School may come tryout for the golf team. We are fortunate to have a very successful and talented team at Memorial, which makes it highly competitive to make the team. Everyone who signs up to tryout will play 36 holes of stroke play at Cypress Lakes Golf Club. There will be a scorekeeper with each group to make sure all of the scores are accurate. Cheating, throwing clubs, profanity, or being disrespectful to other players will not be tolerated. I pay attention to much more than simply golf scores during this process. Important characteristics I look at are: work ethic, attitude, how you treat people, and body language.

I highly recommend you play summer tournaments when available. If you play summer tournaments, it shows me that you are committed to making the team and committed to getting better. This team is very competitive and unfortunately is not a place for absolute beginners. Please email me your summer tournament schedule whenever you have it completed. If you are planning to try out please email me at your earliest convenience.

Tee times will be assigned one week before the tryout dates and will be posted on our [website](#). If anyone has questions about the process or tournaments please feel free to email me.

-Coach Brady

### Physical Information:

All students must complete all physical and medical forms through [www.rankonesport.com](http://www.rankonesport.com) in order to tryout. There will be no exceptions. You can bring your physical to the front office of the school with "ATTN: Clayton Brady" written on it, so I receive it.
