Anyone who attends Memorial High School may come tryout for the golf team. We are fortunate to have a successful and talented team at Memorial, which makes it extremely competitive to make the team. Everyone who signs up to tryout will play 36 holes of stroke play at Cypress Lakes Golf Club. You will need to shoot a combined score of 192 or better for the first two rounds in order to advance to the final round. Those who advance will play a final 18 holes of stroke play.

There will be a scorekeeper with each group to make sure all of the scores are accurate. Cheating, throwing clubs, profanity, or being disrespectful to other players will not be tolerated. I highly recommend you play summer tournaments, however it is not a requirement. This is by far, the fastest way to improve your game.

Tee times will be assigned one week before the tryout dates and will be posted on our [website](#). If anyone has any questions please feel free to email me.

FAQs:

**What will I have to shoot at tryouts in order to make the team?**

*It depends. Upperclassmen need to finish in the top 15 in order to make the team.*

**Can I move from JV to Varsity at some point during the year?**

*Yes. As the coach, I can move any JV player up to varsity at any point during the season, or simply choose to play a JV player in a varsity event.*

**All students must complete all physical and medical forms through [www.rankonesport.com](http://www.rankonesport.com) in order to tryout. There will be no exceptions. You can bring your physical to the front office with "ATTN: Clayton Brady" written on it, so I receive it.**
